

Our public hospitals are treating more Queenslanders than ever

Courier-Mail, 8/8/2008

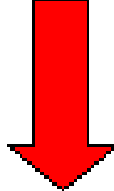

In Queensland Health everything is increasing.....

According to their own advertising-

Surgeries	Up		18.7%
Doctor Numbers	Up		35%
Emergency Admissions	Up		8.2%
Patient Admissions	Up		5.9%

So why do they want our wages to decrease??

CPI			4.5%
Qld Health Wages Offer			3.25%
'Real' Wage	DOWN		

Then they have the hide to say...

“Wage increases given to other occupations is in the past....it is not relevant to these negotiations...”
-Department of Industrial Relations Negotiator during EB7 Negotiations 4/9/2008

Respect for the job we do
