

AWU members who work as Rangers in the Queensland Parks and Wildlife Service are currently involved in a campaign to protect and improve working conditions in a new Rangers Collective Bargaining Agreement.

Rangers across the state have endorsed a log of claims that seeks to improve a number of working conditions such as

- Filling vacancies to ensure workloads are not increased
- Give recognition to those Rangers who are qualified to undertake Fire Operations by increasing allowances
- Protecting the QPWS identity
- Consistency in “on-call” arrangements across the state

By becoming a member of the AWU you are supporting the campaign to protect and improve working conditions in the QPWS by standing together with Rangers across Queensland
